

Singing Rooster

Proud Member of the Fair Trade Federation in 2015

We work to educate consumers about the difficulties facing small-scale producers in developing countries and the importance of purchasing fairly traded products.

The products we carry come from marginalized artisans and farmers in developing countries who are paid fair prices for their goods.

A handwritten signature in cursive script that reads 'Renee Bowers'.

Renee Bowers
Executive Director
Fair Trade Federation

Our producer partners work in safe and healthy conditions and promote sustainable development within their communities.

We strive to demonstrate a holistic and long-term commitment to creating a socially and economically just global trading system.
